- Japanese
- Russian
- Arabic
- many more

Learning a language in a group is full of variety and lots of fun, whether you are a beginner or an advanced student. Weekly meetings in the evening make it possible for working professionals to also attend language lessons.

Method

inlingua language training is given in the target language by university-qualified native speakers.

Levels

All skill levels: Levels A1 (beginners) to C1 according to the standards of the Common European Framework (CEF). Your skills will be evaluated by means of a placement test.

Objectives

- Work on the four areas of competence - speaking, listening, reading and writing, with the focus on speaking and listening
- Practically oriented language work on the most important topics from everyday life
- Attainment of the next-highest language level in accordance with the CEF/completion of an inlingua level

Course material

The inlingua course material is practically oriented and harmonised with the method and the objectives. Also available as E-book. Additional option: our E-learning package.

Your benefits

- Free evaluation of skills and, with previous knowledge, free trial lesson
- If you have the relevant skills you can join an existing group course at your level **at any time**.
- You decide for yourself how long you want to take the course: after an initial minimum registration for a period of four months you can cancel your course to the end of any month of tuition by giving one month's notice whenever it suits you.
